## Jericho Road's Newest Homeowner Moves In

**Nicole North** is an employee at Touro Hospital, a single working mother and business student. With the help of Jericho Road, Nicole was able to purchase her first home.

"I like the idea of putting money toward my own home rather than paying rent." Nicole said. "It's an investment in my future and my child. I love my quiet neighborhood and I'm so happy to finally have a place to call my own!"
