## Jericho Road Executive Director Reviews Progress as Hurricane Katrina Anniversary Approaches

**New Orleans, August 27, 2007-** Jericho Road Executive Director, Brad Powers, reviews progress of Central City housing initiative as Hurricane Katrina 2nd year anniversary approaches. "We believe the excitement we are going to deliver will bring others in who are either going to fix up their property or sell them to other developers," says Powers. Powers' review is featured in an Episcopal Church online publication.
